OUTDOOR DINING CAFES (ARTICLE III, DIVISION 2)
REGULATIONS / DESIGN STANDARDS

Location of dining tables outdoors can have a positive effect on the character of the street as well as the individual business. Outdoor Dining Cafes must be associated with an adjacent licensed restaurant and comply with all other zoning requirements. The City of Hallandale Beach regulates outdoor dining areas on private and public property. An Outdoor Dining Permit is required for restaurants wishing to provide tables and chairs outside the building in a courtyard or patio area. The following is provided as a summary of regulations and adopted design standards for outdoor dining on private property:

4. Outdoor dining service shall not be via take-out windows.
5. Decorative potted plants in the outdoor dining area are encouraged. Plants must be maintained in a neat and healthy condition.
6. One menuboard shall be permitted in the outdoor dining area. The menuboard cannot be a sandwich sign or larger than 4 square feet in sign area.
7. Food preparation is prohibited in the outdoor portion of a restaurant.
8. Tables, chairs, umbrellas and other objects shall be maintained in a clean and attractive appearance and shall be in good repair at all times. Umbrellas cannot be tattered, torn or faded in any manner.
9. The outdoor dining area shall be maintained in a neat and orderly appearance and be cleared of debris. Trash containers cannot be located outdoors.
10. Placement of awning associated with Outdoor Dining Cafes shall comply with all applicable zoning regulations.
11. The use of umbrellas or awnings to shade tables at Outdoor Dining Cafes is encouraged.

16. Furnishings in association with an Outdoor Dining Café shall be of a durable weather-proof material. All tables and chairs shall be of the same type, design or material.
17. Furnishings for an Outdoor Dining Café shall not be broken unsafe or unusable.
18. Color of umbrellas and other outdoor dining area furnishings shall compliment the building façade or treatment. Sample photographs of Outdoor Dining Cafes which effectively enhance the environment by the use of color and furnishings are available for review at the Department of Development Services. The City reserves the right to restrict the design, materials and color of furnishings to ensure the safety and convenience of users and the general public.
