

# Garbage, Yard Waste & Bulk Trash Collection Service

## Residential Collection Schedules

Single family homes and apartments of 4 units or less are collected once a week with the option of twice a week collection at an additional charge. For disabled residents (doctor's note needed) who need assistance placing their containers curbside, the City offers a free "side-door service" where Sanitation staff will retrieve and replace receptacles at no extra charge. This service is available to those not disabled at an additional charge.

Please see the second page of this document for the complete Weekly Collection Schedule Map.

## Multi-Family & Commercial Collection

Sanitation services are provided to all multi-family dwellings and commercial establishments in the City per Ordinance 32-639. All new dwellings (5 or more units) and all new businesses wishing to operate in the City must sign up for garbage services before applying for an occupational license and getting their water services connected. Dumpsters will be provided by the City based on service needs and requirements requested. However, independent dumpster purchase is permitted. To establish a new account please visit the Finance Department, located at 400 South Federal Highway.

### TYPES OF SERVICES

Multi-family sanitation services are provided using non-compactor dumpsters (1-8 cubic yards). In addition, services are also provided using compactor containers (2 cubic yards) for high rise buildings. Commercial sanitation services are provided using commercial dumpsters (1-8 cubic yards). All containers must be placed in a trash room or an enclosed area out of the public's site.

To view a list of the sanitation fees please review the current [Fee Booklet](#).

### PICK-UP SCHEDULE

The minimum level of service required by City Ordinance for multi-family and commercial collection is twice per week, service days may vary. For restaurants, the minimum level of service required by City Ordinance is four times per week, service days may vary. All containers must be accessible and ready for service by 7:00 am on the assigned service day. If containers are not ready for pick and a special pick-up has to be arranged, a special pick-up charge will be incurred.
