Dear Government Partner:

The Florida Department of Transportation (FDOT) District 4 invites you and members of your staff to attend a public information workshop about sidewalk and lighting Improvements proposed on SR A1A, from the Miami-Dade/Broward County Line to Hallandale Beach Boulevard. The workshop will be held on Wednesday, August 19, 2015 from 5:00 p.m. to 7:00 p.m. at the City of Hallandale Beach Cultural Community Center, 410 SE 3rd Street, Hallandale Beach, FL 33009. The workshop will follow an open house format. No formal presentation will be made.

The purpose of the public information workshop is to provide property owners and interested parties an opportunity to review and comment on the project. The intent of this project is to upgrade the existing concrete sidewalk to decorative concrete sidewalk and to install a new street and pedestrian lighting system. Attached for your information is a copy of the meeting flyer, which will also be sent to property owners and businesses near or within the project limits. Your comments regarding this project are welcomed and appreciated.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who require special accommodations under the Americans with Disabilities Act should contact Fausto Gomez, FDOT's Project Manager, at (954) 777-4466 at least seven days prior to the meeting.

For additional information regarding this workshop or should you have any questions about the project, please contact Fausto Gomez at the number listed above or via email at fausto.gomez@dot.state.fl.us. You may also contact Barbara Kelleher, District Four Public Information Director, at (954) 777-4090 or via email at barbara.kelleher@dot.state.fl.us.
