EXHIBIT I – SCOPE OF SERVICES

**SCOPE OF WORK:**

The Hallandale Beach Community Redevelopment Agency (HBCRA) has been awarded a Residential Construction Mitigation Grant from the State of Florida Division of Emergency Management (FDEM) for improvements on residential properties to reduce the risk of damage during and after a disaster. Under this grant selected single family homes will receive funding for roof improvements, installation of shutters and doors. The HBCRA is looking to engage a general contractor to perform the improvement work on the residential units following the State requirements and Building Code requirements. The work will be performed on the number of residential properties where construction costs can be covered by the grant funding. FDEM Grant funds/budget for this project is \$174,000.00.

**Please see price sheets #1-4 on pages 8-11. The HBCRA Board of Directors will only award a contract for one (1) of the Price Sheets provided, Price Sheet #1, #2, #3, or #4.**

See the following Exhibits which are part of this Bid:

Exhibit A - Specifications and Technical work

Exhibit B - Terms and Conditions

This project is a State funded grant project, State of Florida, Division of Emergency Management. All work provided by Contractors as a result of award of this Bid must be done in compliance with Florida Building Code and Florida Statute 553.844.

**The CRA Board of Directors will award the contract to the lowest responsive, responsible firm. Should the awarded firm be unable to perform and provide the services stipulated in the bid and agreement, CRA reserves the right to move forward with the award of the contract to the 2<sup>nd</sup> lowest responsive and responsible firm.**

**The work on each residential unit unit must be completed within 120 days. All work for this project must be completed by May 31, 2017.**

**Permits and Licenses:**

Pursuant to Florida Statute Section 218.80, the City hereby discloses that the following licenses, permit and fees and their costs are issued by the City for construction. The licenses, permits and fees applicable to this project are within the link found below and must be obtained and/or paid by the awarded Contractor. The successful Contractor is responsible to identify and obtain all applicable licenses, permit and pay all such related fees. The costs of all permits and their respective fees applicable to this project are to be secured and paid for by the Contractor and will be reimbursed by the CRA for their actual cost.
