

YOU CAN MAKE A DIFFERENCE!

For as little as \$1.00 a paycheck, you can contribute to the Hallandale Employee Assistance Trust, a financial assistance program funded by City employees for City employees.

The Hallandale Employee Assistance Trust (HEAT) was created over 14 years ago to help City employees in times of **financial crisis**. Any City employee can request assistance for themselves or for another employee by submitting a simple written request to the H.E.A.T Committee, comprised of volunteer employees. Committee members evaluate requests solely on employee need, regardless of the status or position of the requesting employee. Whether or not a person donates does not entitle one to assistance, nor does it exclude a person from consideration. All cases are reviewed on their own merit. This program has helped numerous employees in need, but in order to continue, new donations are sought.

How to Donate:

Complete the form below, designating the amount you would like taken out per paycheck, and take it to the Personnel Department. Beginning with your next check, this amount will be automatically deducted and deposited into the Hallandale Employee Assistance Trust Account until such time you request that it be stopped. Cash donations are also accepted.

Not only will you feel good that your donations will help a fellow employee in need, but at the end of the year you can claim the donations on your income tax return.

And.....

You never know if one day *you* may be the one in need of help from your friends in the City.

For more information about the H.E.A.T. Committee, feel free to call any Committee member:
