Bill Julian does so much for the residents
of Hallandale Beach that there would never
be enough space to write it.

Here in our NE communities he has hand
delivered sand bags to our door and those
of our neighbor as we struggle with our
flooding streets. He stood beside us as we
fought to keep our area the same and

Keep out a Charter School that wasn't necessary.

Bill travels to homes and delivers food during Thanksgiving and Christmas.

No matter is too small or trivial for Bill. I know he is very involved in Education and buys and collects and distributes school supplies for all those that need.

He is everywhere all the time. At fundraisers, relay for life, grand opening and Crime Watch Night out to name a few.

If anyone deserves to be recognized for his work in our community it should be

Bill Julian!

Martin Luther King Jr. Humanitarian Award

Nominating: William "Bill" Julian

It is with great enthusiasm that I place the name of Bill Julian into nomination for this most prestigious award. Bill depicts altruism and selfless behavior toward his home of 50 years in both his personal and business life.

Certainly, Bill has received numerous accolades when he served as a Hallandale Beach City Commissioner for ten years as well as a stint as Vice Mayor, but Bill continues his community service in full stride even as a citizen.

An active member of the Kiwanis Club of Hallandale Beach, Bill has been instrumental in transporting food and beverages for our signature event named "Christmas in July" where we serve all the homeless children living in shelters in Broward County. He has assisted at the Horses and Handicapped site in Davie where Key Club members help handicap children ride horses. He is entering his sixth year hosting his annual pasta dinner fundraiser at the Cultural Center benefitting the Hallandale High School Key Club, Gulfstream Middle School, Hallandale Elementary School and the Police Athletic League.

Bill has coordinated many car washes that benefitted the Hallandale Beach Police Athletic League attend National track competitions.

He is a fixture every Thursday at the Hallandale Beach Food Bank where he delivers food from Miami twice per week to the Hallandale Beach site. He was noted has putting together two big drives to gather toiletries and nonperishable food for our soldiers in Afghanistan.

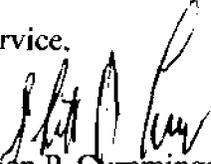

Bill proudly serves as a Board Member for the Hallandale Beach Police Athletic League.

He has adopted a street in the Southwest that is named in his honor that is regularly cleaned.

Bill Julian is the first to assist any citizen that needs help navigating through the Hallandale Beach Bureaucracy in City Hall. He is very transparent and readily available.

I can not think of a more suitable candidate and deserving human being than Bill Julian for this important distinction.

In Service.

Martin Luther King Jr. Humanitarian Award Application

- He contributes as a historian for the new Foster Road Building.

- He voted NO for the trash station that was proposed to be installed in the northwest community.
- He works for the less fortunate through the Food Bank.
- He is a lifetime citizen of Hallandale Beach who has a passion for saving historical documents, homes and buildings and preserving them for future generations.
- He fought hard against the proposed Charter School.

The list about Bill Julian is endless. He is one of kind and one who has the love of this City like no other. I respectfully nominate Bill Julian as this year's recipient of The Martin Luther Jr. King Humanitarian Award.

Nominee accomplishments:

Knowing that City officials are ineligible for this Humanitarian Award , I submit the name of William "Bill" Julian, who is no longer a city official since the last election of November 2nd, 2011 because he continues his dedication to the community of Hallandale Beach, humanitarian causes, community involvement and improvement with the same zeal he did as an official. I find it impossible to relate just one of his personal community service programs since they are many and are continuous throughout the year. Bill continues to be an active member of all city service clubs, Kiwanis, Police Athletic League, Hallandale Schools, Elementary, Middle, Adult Community Center and High school, collecting funds and food , delivering empty boxes to collect food donations. Schools are given awards based on the amount collected. He is fundamental to the Paul Snow Hallandale Food Pantry, picking up from a warehouse in Dade County such items as canned goods, potatoes and fresh greens to Hallandale Beach where weekly, long lines of grateful families wait in line for their share. His bounty is endless where people are concerned. He continues to lead and coordinate an annual pasta fundraiser dinner to benefit the Hallandale Kiwanis School Key Club, and the Tri-City Lions Club. It is a pleasure to see the school Key Clubbers having fun serving salad and spaghetti, awaiting their turn to celebrate.

Bill Julian, who grew up and attended South Broward High School, inspired a new flame of interest into the cold embers of the archives of the Hallandale Historical Society. Realizing the importance of the City's early history resulted in the historic restoration of the Curci, Moffitt Houses, and Hallandale's oldest Broward, one-room school house. Funds were kept low through grants and cooperation of Shanco, Inc., a local builder who had purchased the Moffitt property and moved the house, at no cost, to the city's historical visitor's location. His continued interest as a person who loves his city has merited an historical award to Hallandale Beach, Florida State Preservation Award. The importance of including the frontier history of early Hallandale settlers has prompted Julian to plead to pioneer family members for photographs and antique artifacts to display in the Foster Road Park Museum. Construction of the building is currently underway and eagerly awaiting completion.

I believe that I have conveyed to you why I, and many others, know and appreciate the continued contributions of Hallandale Beach resident, William "Bill" Julian aside from the City of Hallandale Beach official duties. He WAS and IS what he will ALWAYS BE, the person that you know today. As the glorious remembrance day of Martin Luther King, Jr. approaches, you will not have to look hard to see, community citizen, Bill Julian proudly walking in the parade.

Julian has over 300 community service hours all done in the City of Hallandale. Most of his hours were as Hallandale High School's Wrestling Team Manager. This experience honed his business management skills. Julian then joined the Wrestling Team. The call to help others was strong, so Julian joined Key Club. Through Key Club, he was involved in the American Cancer Society's Relay for Life, as well as the high school's JROTC Relay.

Last year when I was in charge of Senior Awards, Julian "stepped up to the plate." He donated hours of his time to help Hallandale have a terrific event. Julian helped put the Senior Awards brochure together, as well as design and make certificates for all the students involved. It was a massive undertaking!

Julian is also Ambassador of Hallandale High's Graphic Design Program. He is a member of the National Language Honors Society and a hard-working student. I highly recommend Julian Santopolo for this award.

I highly recommend Mrs. Smith for the humanitarian award for the following reasons:

She is a member of one of the pioneer families in the Palms area of Hallandale Beach. Her father was one of those responsible for the building of the former B.F. James Elementary School, now B.F. James Park, and he was a Businessman.

Her mother, Mrs. Miller, was a dedicated woman and a Christian Educator and a lifetime member of the Ebenezer Baptist Church and established many programs including mission work and a vacation Bible school.

Mrs. Smith is a retired teacher and taught for over 30 years in the Broward County school system, B.F. James and other schools.

She has been a mentor to many youth in this community and has contributed to scholarship fundraising to send them to college.

Miss Smith is a graduate of Bethune Cookman College.

Member of the Community Civic Association and is involved in many efforts in improving the city of Hallandale Beach.

Please consider Mrs. Smith for this award as she is deserving as any other person suggested, as she was born and raised in Hallandale Beach. Additionally, she still lives in Hallandale Beach and is still giving.
