*(Please use additional paper as required to complete your submission. Attachments are permissible)*

It is my duty to nominate the most deserving candidate for the Dr. Martin Luther King, Jr. Humanitarian Award. Without any further thought, I would like to nominate Mr. Lowell Lampkin as he is far more accomplished and has had a lot of experience in the community of Hallandale Beach. The Reverend Dr. Ronald N. Fox, hereinafter Father Fox, began his career as an Episcopal Priest over 40 years ago. During that time, he has served as Rector at several congregations, including two in Miami-Dade County and currently St. Anne's Episcopal Church in Hallandale Beach, Florida. In addition to being a Rector, Father Fox served as the Youth Coordinator for the Episcopal Church of the Diocese of Southeast Florida. It was this assignment that I believe help pave the way for his nomination of the Martin Luther King Jr. Humanitarian Award.

As the youth coordinator, Father Fox was responsible for the development of several initiatives, most notably the "Happening". Happening, a spiritual retreat for the youth is a wonderful experience of fun, fellowship, sharing, caring and incredible abundance of God's love conducted over a weekend. The weekend is designed to bring youth to a fuller and deeper knowledge of and relationship with the Lord Jesus Christ through a deeper level of commitment and apostleship. The impact of the experience includes Halladale Beach and beyond.

In March of 2010, Father Fox came to serve at St. Anne's Episcopal Church in Hallandale Beach. Brining with him a desire to get involved in our community, he immediately became associated with the Ministerial Alliance of South Broward. Moreover, keeping in step with a focus on youth, he took on the challenge of being a mentor to several youth at Hallandale Beach High and Gulfstream Middle Schools.

Father Fox took the initiative to contact the principals at Halladale Beach High and Gulfstream Middle. Fox's original intent was to set up a mentorship program between churchmen of St. Anne and at risk youth from Halladale attending these schools. The original goal was to have a program at the church immediately after school. Unfortunately, school board policies prevented this from being implemented. Determined to make an impact, Fox approached the schools again with a new focus of simply going to the schools to mentor on site. This was approved and beginning in the Fall of 2011, Fox began to mentor at risk male youths from our beloved Halladale Beach.

To illustrate his determination, it's important to note that a full background check, including fingerprints is necessary for one to work in a school with our youth. At his own expense and time, Father Fox unselfishly did this to make a difference. It is my hope that the nominating committee recognize his contributions worthy of the Martin Luther King Jr. Humanitarian Award.

For many years Lorraine has been a faithful servant to the Hallandale Beach Community. He picks-up food from South Miami to Pompano and feeds needy individuals and families in Hallandale Beach.

Lorraine cooks and serves hot meals every Wednesday at Ebenezer Baptist Church. Weekly/monthly

Lorraine distributes food to the hungry. Every year Lorraine takes a group of boys camping. For years

I have nominated this humble man for his great works. Lorraine does not look for recognition for the great humanitarian work he does for the people of Hallandale Beach, but I truly believe he is worthy

to receive the MLK Humanitarian Award!
