

Garbage, Yard Waste & Bulk Trash Collection Service

Residential Collection Schedules

Single family homes and apartments of 4 units or less are collected once a week with the option of twice a week collection at an additional charge. For disabled residents who need assistance placing their containers curbside, the City offers a free "side-door service" where Sanitation staff will retrieve and replace receptacles at no extra charge. This service is available to those not disabled at an additional charge.

Please see the second page of this document for the complete Weekly Collection Schedule Map.

Commercial Collection

Sanitation services are provided to all commercial establishments in the City per Ordinance 32-635. All new businesses wishing to operate in City must sign up for garbage services before applying for an occupational license and getting your water services connected. Commercial dumpsters will be provided by the City based on the business' service needs and requirements. To establish a new account please visit the Finance Department, located at 400 South Federal Highway.

TYPES OF SERVICES

Sanitation services are provided using commercial dumpsters (1-8 cubic yards). In addition, services are also provided using compactor containers (2 cubic yards) for high rise buildings (usually more than 6 floors). All containers must be placed in a trash room or an enclosed area out of the public's site.

To view a list of the sanitation fees please review the current Fee Booklet.

PICK-UP SCHEDULE

The minimum level of service required by City Ordinance is twice per week, service days may vary. For restaurants, the minimum level of service required by City Ordinance is four times per week, service days may vary. All containers must be accessible and ready for service by 7:00 am on the assigned service day. If containers are not ready for pick and a special pick-up has to be arranged, a special pick-up charge will be incurred.

Bulk Trash and Yard Waste Collection Monthly Program

Effective July 1, 2018

Residents no longer need to call the City's Sanitation Division to have their Bulk Trash & Yard Waste picked-up. This service is now being offered monthly. Each section is scheduled for collection during one week of the month as follows:

- Week 1 - Southwest Section
- Week 2 - Southeast Section
- Week 3 - Northwest Section
- Week 4 - Northeast Section

If a month has five (5) weeks there will be no collection on the fifth week

Residents must have debris placed in the swale by 7:00AM on Monday. Once the truck goes up and down the street it will not return until the next scheduled collection week.

Sanitation will coordinate with Code Compliance once a section is completed and issue citation for violations.

Please see pg. 2 for Bulk & Yard Waste Dropoff

Bulk And Yard Waste Residential Drop-Off Site

Effective June 16, 2018, the City has closed its Residential Trash Drop-off site (located at 630 NW 2 nd Street). Now residents will be able to dispose of bulk material and yard waste on a weekly basis instead of a quarter basis at the Broward County facility, which is located at 5601 West Hallandale Beach Blvd in West Park.

This facility is available to residents on Saturdays from 8:00am – 4:00pm. Residents will be able to bring material up to four times a month, as opposed to the City's current limitation of one disposal per quarter.

What Kind of Waste Is Accepted?

Yard waste, home furniture and furnishing, white goods and woody items (fencing and lumber).

What Kind of Trash Not Accepted?

Garbage, explosives, radioactive materials, biohazardous waste and dead animals are prohibited. Tires are no longer accepted as part of the Bulk Waste/Yard Waste Drop-Off program. Business-generated trash is not accepted.

What Documentation is Required?

Proof of residency (current driver's license/photo ID) and one of the following: Current utility bill (water, electricity, cable, telephone) and/or tax notice (name and address must match). Any users without the required proof of residency will be denied access.

Is There A Charge?

No, the program is free for residents of participating cities. However, there is a 4-visit per resident per month.

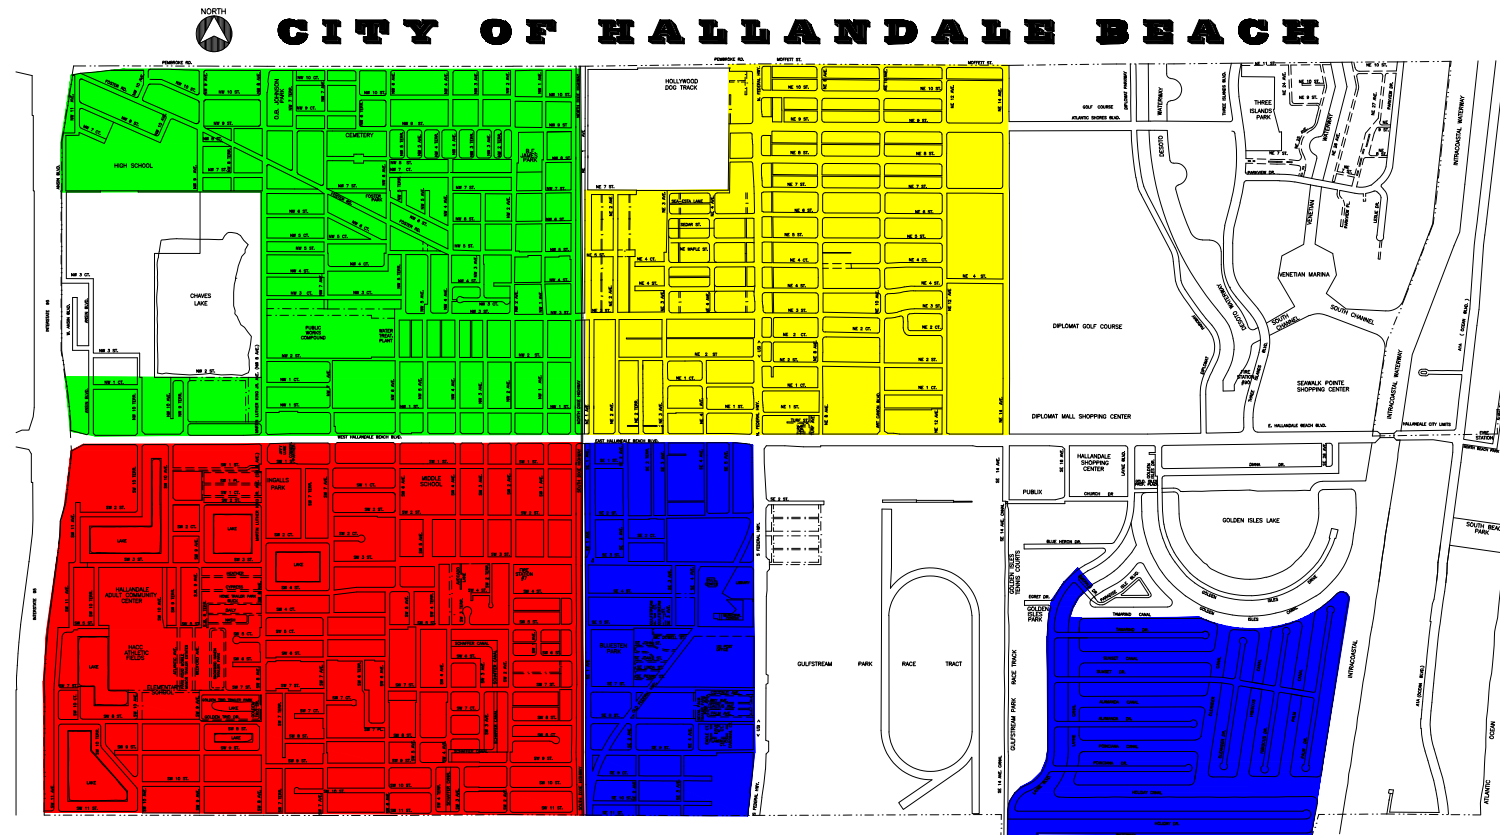

Responsibility and Limitations

Residents are required to offload and place material in the dumpster themselves, and Must be abide by the unloading directions of the site supervisor. Children under the age of 16 are not permitted in the loading area. Care and caution should be exercised at all times.
