SCOPE OF WORK

PURPOSE

The City of Hallandale Beach “City” is seeking proposals from qualified Firms (“Proposer” or “Proposing Firm”) to provide services of its fully-insured Medical with Pharmacy, alternative Medical Open Access Health Maintenance Organization (HMO), Dental, Vision, Employee Assistance Program (EAP), Flexible Spending Account (FSA) and COBRA Administration as further described in this Request for Proposal (RFP).

Proposals will be considered only from proposing Firms who can demonstrate to the City a professional ability to perform the type of work specified within the RFP.

CITY HIRED CONSULTANT

City Commission approved on January 9, 2019 via Resolution No. 2019 –004 retaining the services of Gallagher Benefit Services, Inc. (GBS) “Consultant” as independent risk and insurance management consultant to assist in the scope of services production, evaluation and carrier selection. GBS will also be responsible for evaluating the Minimum Qualification Requirements (MQRs) for all proposal(s) and will be responsible for deeming a proposal as responsive or non-responsive. GBS acts solely in its capacity as Consultant. The Consultant does not participate in commissions from any insurance company, agent or broker, nor does it accept any income from other than the City.

The City has approximately four hundred and forty-five (445) active, fulltime employees and sixty-eight (68) pre/post retirees and dependents. All full-time employees are eligible to participate including active employees, dependents, retirees, retirees’ dependents, and domestic partners. The City also offers its benefits program to Police and Fire Fighters, however, Fire Fighters may not be part of the program either before or after the effective date in October 2019. New employees are eligible for benefits on the first of the month following thirty (30) days from date of hire. All plans are not grandfathered. Self-insurance proposals will not be considered.

Any changes to benefit plan designs are subject to labor negotiations.

The City does not have an incentive for employees opting out of the fully-insured medical, dental or vision plans. The City, at its sole option, can change/modify the current contributions strategy and distribution among the tiers, including the City’s funding towards the Health Reimbursement Account (HRA). The City’s tier structure is broken out by positions. The description of each tier can be found in Exhibit L. The City remits both the employer and employee contributions at the end of each month.

**CITY OF HALLANDALE BEACH GROUP MEDICAL WITH
PHARMACY, MEDICAL GAP PLAN, DENTAL, VISION, EMPLOYEE
ASSISTANCE PROGRAM, FLEXIBLE SPENDING ACCOUNT AND
COBRA ADMINISTRATION**

The City reserves the right to negotiate services and benefits each plan year, including but not limited to:

- Redesign of benefit plans, contributions models, etc.
- Health Reimbursement Account Funding
- Other creative cost savings programs

At the sole discretion of the City, the City reserves the right to contract for one (1) or more plans independently or contract for multiple plans from the same vendor(s). In order to properly evaluate the financial impact of these options, this RFP requests the cost and utilization data necessary to properly model and forecast the programs being proposed. Proposers who do not provide the requested information may be negatively impacted during the shortlisting and ranking process.

The City will contract directly with insurance companies, health maintenance organization providers, and/or third-party administrators. The City will not contract with independent agents or independent third parties acting as agent or broker. All Proposers should comply with all applicable Florida Statutes.

Proposing Firm(s) may propose on any combination of such plans. It is anticipated that the City will award all Medical and Pharmacy benefit services to one (1) proposer; award all Dental benefit services to one (1) proposer; award all Vision benefits to one (1) proposer and award all FSA/COBRA Administration to one (1) proposer. However, the City reserves the right to award to more than one (1) vendor.

The proposing Firm(s) awarded will be responsible to set up, maintain and provide all required services as set forth in this RFP.

The specifications set forth are for informational purposes and to provide a general description of the requirement. Proposing Firm(s) will be responsible to submit technical submittal based upon the proposing Firm(s) program that will meet the goals, objectives and requirements set forth herein.

MEDICAL WITH PHARMACY

Within the last five (5) years, the City has utilized two (2) carriers, Coventry 10/1/2013 – 9/30/2014, and Cigna 10/1/2014 – Current. Proposals are to be based on an October 1, 2019, effective date.

The City has included, in Exhibit H, the current High Deductible Health Plan - Health Reimbursement Account (HDHP-HRA) plan and an alternative Open Access HMO plan design

**CITY OF HALLANDALE BEACH GROUP MEDICAL WITH
PHARMACY, MEDICAL GAP PLAN, DENTAL, VISION, EMPLOYEE
ASSISTANCE PROGRAM, FLEXIBLE SPENDING ACCOUNT AND
COBRA ADMINISTRATION**

option. Proposers may provide a single alternative Open Access HMO plan design based on the plan option provided in Exhibit C. Proposers should identify any existing City benefits, benefit limitations or system limitations that the proposer cannot administer on the current plan design, within Exhibit C. If no deviations are outlined, then it is assumed the proposer can match the benefits as outlined in both the current HRA in conjunction with the HDHP medical plan and alternative Open Access HMO plan.

The City contributions are based on a tier structure, Exhibit L outlines the current tier structure and contributions.

MEDICAL GAP PLAN

The City is interested in reviewing a Medical Gap plan option with its medical plan to its eligible employees and retirees. The City currently does not offer a Medical Gap Plan and is interested in a program that closely matches and offsets the employee cost for deductible and out-of-pocket maximums for the current and alternative benefit designs.

DENTAL

The City currently offers fully-insured Dental Maintenance Organization (DMO) and Dental Preferred Provider Organization (DPPO) plans and contributes a portion of the employee and dependent premiums.

The City has included, in Exhibit I, the current DMO and DPPO plan designs. Proposers should identify any existing City dental benefits, benefit limitations or system limitations that the proposer cannot administer on the current plan design, within Exhibit C. If no deviations are outlined, then it is assumed the proposer can match the benefits as outlined in both the current DHMO and DPPO plans.

VISION

The City currently offers a fully-insured vision plan and the City pays a portion of the total premiums. The City has included, in Exhibit J, the current Vision plan design. Proposers should identify any existing City vision benefits, benefit limitations or system limitations that the proposer cannot administer on the current plan design, within Exhibit C. If no deviations are outlined, then it is assumed the proposer can match the benefits as outlined in the current vision plan.

EMPLOYEE ASSISTANCE PROGRAM (EAP)

The City currently offers an EAP to its eligible members and their dependents. The EAP is serviced by Cigna and includes up to five (5) face-to-face sessions per incident with full-service work/life

COBRA ADMINISTRATION**

support program and sixteen (16) employer service hours or eight (8) actual hours per year. The City has included Exhibit K. If no deviations are outlined, then it is assumed the proposer can match the benefits as outlined in the current EAP plan.

FLEXIBLE SPENDING ACCOUNT (FSA) / COBRA

The City currently offers FSA and CORBA through WageWorks. The City is seeking these services to administer both a medical spending account and a dependent spending account. In addition, the COBRA administrator will provide all COBRA administration for all lines of coverage.
