

**FEMA**

MAY 16 2011

The Honorable Joy Cooper  
Mayor of the City of Hallandale Beach  
400 South Federal Highway  
Hallandale Beach, Florida 33009

Dear Mayor Cooper:

The purpose of this letter is to provide you with the results of the National Flood Insurance Program (NFIP) Community Rating System (CRS) field verification findings based on your five-year cycle application. I am pleased to inform you the Department of Homeland Security, Federal Emergency Management Agency (FEMA), has determined that your community will retain its current rating as a CRS Class 6 community in the National Flood Insurance Program (NFIP) Community Rating System (CRS). The floodplain management activities implemented by your community will continue to qualify flood insurance policy holders in your community for a 20 percent discount in the premium costs for NFIP policies issued or renewed in Special Flood Hazard Areas. I am enclosing the field verification report based on your five-year cycle application for your records. This savings is a tangible result of the flood mitigation activities your community implements to protect lives and reduce property damage.

Please note Preferred Risk Policies, applicable in Zones B, C, and X, on your community's NFIP Flood Insurance Rate Map are not eligible for the CRS discount. Standard rated flood insurance policies in Zones B, C, X, D, AR, and A99 are limited to a CRS discount of ten percent in Class 1-6 communities and five percent in Class 7-9 communities. The rates for these zones already reflect significant premium reductions.

If there are no NFIP noncompliance actions, the CRS rating for your community will automatically be renewed annually and a notification letter will not be sent to your community. This renewal will occur as long as your community continues to implement the CRS activities you certify each October. If no additional modifications or new CRS activities are added, the next verification visit for your community will be in accordance with its established five-year cycle or three-year cycle for CRS Class 5 or better communities. In the interim, FEMA will periodically send the *NFIP/CRS Update* Newsletter and other notices to your CRS Coordinator to keep your community informed.

I commend you on your community actions and your determination to lead your community to be more disaster resistant. This commitment enhances public safety, property protection, and protects the natural functions of floodplains, and reduces flood insurance premiums.

If you have any questions or need additional information, please contact the FEMA Region IV Office, CRS Coordinator, Janice Mitchell, by telephone at (770) 220-5441.

Sincerely,

A handwritten signature in black ink, appearing to read "Sandra K. Knight".

Sandra K. Knight, PhD, PE  
Deputy Federal Insurance and  
Mitigation Administrator, Mitigation

Enclosure

cc: Antonio P. Gonzalez, CRS Coordinator
