

Hallandale Beach

Free Household Hazardous and Electronic Waste Drop Off

When and Where?

December 7, 2019, March 7, 2020, & June 6, 2020.

Drop-offs are from 8 am until 12 pm at 630 NW 2nd Street (Public Works).

Why?

Improperly disposing of household hazardous waste can cause holes in the lining of landfills, thus contaminating the nearby ground and water with hazardous materials. Components from electronic waste can be recycled.

What should I bring?

Cleaning chemicals, used motor oil, fertilizer, herbicide, insecticides, fuel, household batteries, tires (limit to 4), paint (limit 4 gallons) or paint thinner, & electronics (laptops, computers, appliances).
