## UTILITY SERVICE INFORMATION

### Utility Accounts

Important information regarding your utility account:

- Bills are **DUE AND PAYABLE MONTHLY WITHIN TWENTY (20) DAYS OF THE BILLING DATE** (City Ordinance No. 30-3(d.1)). The City is not responsible for lost or undelivered bills. Therefore, if your bill is not received timely, you should contact the Utility Billing Division immediately to avoid penalties and interruption of services. For assistance, contact the Customer Service Representative at (954) 457-1360.
- A late charge of 10% is added to accounts not paid within twenty (20) days of the billing date. This penalty will be applied to the past due bill. Effective October 1, 2019, there is no longer a \$100 maximum for the late penalty.
- Delinquent notices are sent to customers as a final request for payment before service is disconnected. To avoid disconnection, payment must be received prior to the Cutoff Date. The City is not responsible for lost or undelivered notices.
- Water service is subject to termination for any billing which is not paid within thirty (30) days from the original date of billing. Once termination procedures are initiated, the outstanding balance plus an additional \$80 service charge must be paid in order to reinstate service or stop termination procedures.
- A tampering and/or jumper fee will be added to accounts illegally connected to the City’s Water System. Fees can range from \$150 to \$500, based on the type and number of occurrences.
- To reconnect service after non-payment, **you must notify a Customer Service Representative** during normal business hours.

**Owner Only**

Effective January 1, 2016, City of Hallandale Beach utility accounts shall only be established in the name of the property owner (City Ordinance No. 30-5(a.2)). Consequently, the property owner is responsible for the payment of all charges incurred at the service property.

- All changes to a utility account, including requests for disconnection, must be at the written request of the property owner and accompanied by a valid picture identification. The request may be submitted at the cashier window located at City Hall, emailed to [financeutilities@cohb.org](mailto:financeutilities@cohb.org), or mailed into the Utility Billing Division of the City.
- The City will pursue the prior owner of past due balances for sixty days. However, because the current property owner of record is responsible for all outstanding balances of the property, all unpaid balances after sixty days will be transferred to the new owner’s account.

**UTILTIY RATES**

**Rate Increase: Effective October 1, 2021, the City of Hallandale Beach Water and Sewer rates will increase.**

The City of Hallandale Beach (the “City) conducted a review of the water, wastewater (Sewer), and stormwater rates. The analysis encompassed financial evaluation for the five (5) fiscal year period of October 1, 2017 through September 30, 2022, which resulted in the need for water and wastewater rate adjustments and no need for stormwater rate adjustments.

For a complete listing of rates, fees, and charges, please see the City of Hallandale Beach’s Schedule of Fees and Charges – Fee Booklet at <https://fl-hallandalebeach3.civicplus.com/530/Financial-Reports>.
