

ADDENDUM # 1

RFP # FY 2021-2022-001
CCNA DESIGN OF CHAVES LAKE PARK ENV CENTER EV BUS STATION
REVISIONS – NOVEMBER 10, 2021

Please ensure you check the City's website for the latest addendum released for this project.
Below find the link to the City's website: www.cohb.org/solicitations.

Proposing firms must provide this Addendum # 1 form signed by an authorized officer of the firm to acknowledge receipt of ADDENDUM # 1. The form must be provided with firm's response.

PLEASE NOTE: ORIGINAL SPECIFICATIONS BELOW ON PAGE 4 AND 5 OF RFP:

Provide comprehensive professional landscape architectural, architectural, environmental, and engineering services for the project. Disciplines shall include, but not be limited to, transportation, environmental, mechanical, electrical, fire protection, telecommunications, interior design, landscape, irrigation, civil, structural, minimum LEED Silver Certification, and commissioning. Any specialty disciplines necessary to complete the project scope of service such as sound engineering consultant, as needed, and any other specialty sub consultants necessary to complete the project with all components for the operations of the facility and park amenities.

Select, retain, and supervise LEED Consultant during the design phase to assure a minimum of a LEED silver certification or other applicable green building certification.

PLEASE NOTE: REVISED SPECIFICATIONS BELOW ON PAGE 4 AND 5 OF RFP:
