3. Answer:

About 10% of yard waste will be comingled with bulk.

4. Question:

What are the expected C&D volumes?

4. Answer:

About 240 cubic yard annually.

5. Question:

Is the city requiring for materials that are delivered to be recycled?

5. Answer:

No. If recycled would be a plus.

6. Question:

Where is the city currently delivering their material? Please breakdown by material type.

6. Answer:

Bulk material, loose yard waste and C & D material are delivered to Sun Recycling, located at 3251 SW 26<sup>th</sup> Terrace, Dania Beach, Florida 33312 and 2830 College Avenue Dania Beach FL 33317.

7. Question:

What is the current disposal rate the city is paying for the material listed in the current RFP?

7. Answer:

Bulk waste/yard waste comingled with bulk waste \$55.90 per ton, loose yard waste \$8.00 cubic yard.

8. Question:

Will private haulers be required to bring waste to the vendor selected in the RFP.

8. Answer:

**Sec. 32-639. Garbage, construction and demolition debris, recycling, bulk items, and trash collection by city; private haulers; permit required.**

**All construction and demolition debris, recycling, bulk items and trash which are produced in the city shall be collected, conveyed and disposed of by the city except as provided in this section**

**(4) [Designated disposal facility.]**

**a. The city manager is authorized to designate a disposal facility named in any interlocal or private waste disposal agreement entered into by the city, and to require holders of hauling permits to dispose garbage, construction and demolition debris, recycling, bulk items and/or trash at such location, unless the garbage, construction and demolition debris, recycling, bulk items and/or trash are refused at such location; and the hauler is required to provide city where it disposes of same, which shall be at an appropriately licensed facility. Failure by a private hauling permit holder to dispose of garbage, construction and demolition debris, recycling, bulk items and/or trash at such location shall be a violation of this Code, punishable as provided in [section 1-8](#), and shall be cause for revocation of the violator's hauling permit.**

9. Question:

Please provide a list of attendees from the pre-proposal meeting.

9. Answer:

See attached.

10. Question:

Will the City consider deletion of the Labor Material Payment Bond.

10. Answer:

The Performance and Labor Material Payment Bond, as required per page 5 of the RFP  
Is not waived.

11. Question:

Would the city provide the current rates to the services being requested by this RFP.

11. Answer:

Bulk waste/yard waste comingled with bulk waste \$55.90 per ton, loose yard waste \$8.00  
cubic yard.

11. Statement/reminder:

Various questions were posed about contract revisions. As addressed during the  
mandatory pre-proposal conference any variances to the RFP and/or terms and conditions  
and/or the contract must be submitted within your firm's response, using 44 of the RFP.

If you firm is recommended for award of contract and Commission approves award of a  
contract, the Project Manager will contact your firm to commence contract negotiations.  
The City Attorney and Risk Manager will address any variances that were proposed by  
your firm through your proposal.
